# WaterHog® Drainable Border Mats

Scraper/Wiper Mats • Indoor/Outdoor

WaterHog Drainable Border mats are durable, stain-resistant mats with a unique bi-level design that traps dirt and moisture, keeping your floors clean, dry, and safe. They feature the standard WaterHog square pattern without the water dam border so water can drain away freely.
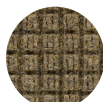

- **Clean & Dry** — Bi-level surface effectively scrapes dirt and moisture from shoes, trapping it beneath shoe level to prevent tracking
- **Durable** — Reinforced rubber nubs prevent pile from crushing and extend the performance life of the mat
- **Fade & Stain Resistant** — Solution-dyed PET fabric (24 ounces per square yard) is resistant to staining, dries quickly, and will not fade or rot
- **Eco-Friendly** — PET surface is made from at least 90% recycled content reclaimed from plastic; SBR rubber backing contains 20% post-consumer recycled rubber from car tires
- Available in 12 colors
- Available with smooth or cleated 78-mil SBR rubber backing
